Subject:

DIRECTIVE 2011/65/UE OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment (RoHS).

COMMISSION DELEGATE DIRECTIVE (EU) 2015/863 of 31 March 2015 (amendment of Annex II – RoHS).

We inform you that ARTEC Srl produces and sells products which do not fall within the scope of the Directives in object, because pneumatic cylinders and their accessories do not belong to “electrical and electronic equipment” category.

Moreover, we confirm that none of the substances listed in *Annex II (and following amendments)* are contained in our products in a quantity higher than the maximum quantities described, because our suppliers have declared it and because ARTEC Srl does not intentionally add any substance during the manufacturing process. However, we cannot exclude a potential presence of those substances in a quantity lower than the maximum quantity allowed.

ARTEC Srl undertakes to inform its customers immediately if a change regarding those hazardous substances presence in its products might occur in the future.
